

Custom Beef Order Form

Here at Deschutes River Beef, we want to work with our customers to create the best meat buying experience possible. We use Malco's Buxton Meats Family Meat Market, a USDA Processor, in Sandy Oregon. We base our prices on the hanging weight of the animal, which is the weight after slaughter but before it has been processed. Our hanging weight is usually between 650-800lbs with the average being 782lbs. We sell half and whole beef and require a deposit upon ordering through PayPal and the balance paid at time of pick up. Custom cuts or special services will be arranged between you and Buxton's directly at 503-668-4838. Please call Keith with questions or pricing at 541-910-5179. Thank you.

<input type="checkbox"/>	Whole Beef	Call for pricing	\$2000.00 Deposit
<input type="checkbox"/>	Half Beef	Call for pricing	\$1000.00 Deposit
